

February 2012

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Theme of the Month: "Courtesy" Courtesy is shown throughout the martial arts world when we greet each other with the sincere act of bowing. Yet, there are many other ways that courtesy can be demonstrated in the martial arts and your everyday life. By being polite, showing good manners and saying nice things to people you go to school with, meet in the community or live within your home you can show courtesy in your relationships. Lafayette Tournament Master Gerald Daigle and the Lafayette School will be hosting a tournament on February 4 ^h . Please support the Region and Master Daigle by attending this tournament.
